

## Norwich Twenty Group Newsletter January 2011

### **Monthly Meetings.**

The next meeting will be on Tuesday 1st February. The idea for this meeting is that members should bring one of their works from the past and a current work that have a connection to each other which might then form the basis for an interesting discussion..

There will be a speaker for the March meeting. April's meeting will be for prospective members to show work to the group.

### **Forum Exhibition.**

The exhibition is to be called *Twin Visions*. And, as previously reported, it will take place 22 - 29 May. Six artists from Koblenz will be also be taking part. Further information, submission forms etc. will be sent to members nearer the date.

If there is any member who already knows what work they will want to submit and have a photo it would be much appreciated if you could send it to me as I will then pass it on to Paul Dickson, our publicist, who can then submit it for publicity material.

### **Exhibition in Koblenz.**

You will have received a list of the members 'pulled out of the hat' to participate in this event to be called *Norwich Twenty Group*. A number

of members have put their names forward to drive a van to the show and help with the hanging, and also to collect work after the 17<sup>th</sup> April. Any further members who also wishes to travel to Koblenz ( at their expense) are extremely welcome to take part in the hanging and/or Private View which will be on Sunday 3<sup>rd</sup> April at 5pm. Again, we will be able to tell you more nearer the date.

### **Theatre Royal Exhibition.**

We have been invited to submit 16 works for an exhibition on the theme of 'Dance' which is proposed for the Theatre Gallery during the period of mid May to mid July. The theme has been chosen by the Theatre in order to tie in with several of the shows that will be on during this period. The works will be selected by the gallery organiser, Antonia Kiki, who will also look after the administration and hanging of the show. There will be a private view shortly after the show goes up.

### **Naked in Norwich 2.**

Following the success of the first of such shows we have agreed to give financial help in putting on a sequel in the coming summer. As before, it will be organised by Richard Cleland, an enthusiastic supporter of the Group's life workshop at Wensum Lodge. This time he will be helped by Mike and Linda Chapman who organise the workshop throughout the year.

### **Website.**

Members are reminded that they may still join the website. Initially they should send a cheque for £20.00 to Derek Rae who will then tell them of the next steps - all very mysterious!

The site will need to be updated in the not too distant future, so you should be considering how you want your 'page' to change with reference to images and text.

**Ruthli Losh Atkinson.**

As many of you know, Ruthli was taken ill last autumn and was taken to Norfolk and Norwich Hospital where she was diagnosed with an inoperable brain tumour.

A few weeks ago she was moved to Oakwood House Nursing Home where she has her own room on the ground floor overlooking a courtyard garden.

Ruthli's husband Douglas is with her much of the time and though she gets very tired, she would welcome visitors for a few minutes. Though there are no set visiting times, I would suggest avoiding mealtimes.

If you would like to visit Ruthli, or send her a card, she is at:  
Oakwood House Nursing Home, Old Watton Road, Colney, NR4 7TP.
